PRESENCE™ Business

PRESENCE™ is a premium headset for mobile professionals who require consistently excellent speech intelligibility whatever the background noise level in the office, at home, in the car or outdoors.

Sound leadership

Building on Sennheiser's 70 year legacy of sound leadership, new developments include SpeakFocus™ and WindSafe™ technologies to optimize communication in noisy environments – both indoors and outdoors.

With best-in-class Sennheiser HD voice clarity using unique 3 digital microphone system, PRESENCE™ enhances speech intelligibility in challenging environments.

The headset also provides high-quality audio for podcasts. Peace of mind, ActiveGard® provides protection from acoustic shock.

Quality design

With a focus on quality materials and wearability, PRESENCE™ slim iconic design and subtle aluminum microphone boom arm represent the ultimate in discretion

for everyday business professionals.

User focus

PRESENCE™ provides up to 10 hours' call time between charges and includes voice prompts and iPhone battery meter. Designed with the user in mind, intuitive features include a unique sliding microphone with integrated on/off power slide.
